*Thank you for our copy of 'Superdad's Day off'. We thought it was really, really great! Both my 5 and 6yr olds enjoyed, and were eager to read it every night. We loved the parts where Stan had to rescue people, and thought the pictures were really funny. The ending was excellent too - we hope there is a sequel!*

**Edward Simmons, age 7**

*Edward was amazed and excited by the adventures of dynamo Dan and Stanley. A wonderful story with detailed illustrations.*

***A new bed time favourite!***

*Edward was captured by Dynamo Dan & Stanley's adventures, from saving Panthers to (Edward's favourite) lifting a huge monster truck! Edward was shocked and surprised by the events and outcome of the story.*

*The book was digested in one sitting, & Edward couldn't put it down!*

**Daniel Smith, age 5**

***I don't usually like chapter books but this one has jokes and pictures that make it funny and the pages are easy to read. I love it.***

*This story is about Dynamo Dan and Super Stan. Dynamo Dan really needs a*

*day off and his son Stan wants to play in the park with him. Stan wants to be pushed on a swing and spun on a roundabout and to have an ice cream. Sounds simple but when Dynamo Dan picked Stan up from school he was really tired and things were a problem all around them. Panthers were up trees, there was a shark swimming in a house and near the end a flat tyre of a truck is a massive problem. Stan tries to tell people that Dynamo Dan is saving the world from a different problem so that his dad can have a rest and they can both get to the park and have an ice cream. Stan says he will do it instead and becomes a hero. This book is fun and the jokes are really funny. I want to hear more about Stan and his family. His mummy and sister are not really part of the story. They might be part of it next time. This would be good. I wish it was a longer book. I want to read more and more about Stan and his family and their adventures saving the world.*

**James McNichol, age 7**

*I would recommend this book to other kids.*

***I really enjoyed this story. I didn't like the old lady but I did like the part with the monster truck because it was HUGE!!!!***
