***This is the story of a flying pony who befriends a boy called Max. Kevin and Max have adventures together and become best friends. I loved this book!***

*Kevin is a flying pony who loves custard creams, apples and grass. One day in a storm he gets whisked out of his land to outside Max's flat. He saves his teacher from a flood. He dives underwater to the supermarket. There are mermaids in the shops. Sadly, Kevin has to go home, but he needs Max so he flies back to live on Max's roof. They are like brothers. This amazing book is in hardback with blue and yellow pictures... You won't believe this is true but it has silver edges! It is wonderful.*

***When disaster strikes due to a flood and Max's headteacher gets stuck on the top of the school with sea monkeys who keep throwing things at him, only Max and his new friend Kevin can save the day!***

*I really enjoyed this book. It's about a boy called Max who longs for adventure. One day he gets his wish as a flying pony called Kevin lands on the balcony of his flat due to a magical storm blowing him out of his nest. Due to the storm, the town where Max lives is flooded, but together, Max and Kevin manage to save everyone.*

*There is something a bit strange but good about Kevin... he LOVES biscuits! My favourite part was at the end when Max was reunited up by Kevin. I would recommend this book to anyone aged 7+ that likes adventure and magic books.*

***Prisha Yadav, age 8***

***Adventurous and interesting story about a flying pony.***

*The Legend of Kevin is an interesting book about a flying pony and her adventures. It has a good storyline with lovely illustrations. I liked how Kevin thinks about herself as beautiful and magical pony and she loves biscuits. My favourite character was Max as he was kind and caring and helps Kevin. It is a good fiction book full of adventures which I would like to recommend to young children.*

***This book is funny and adventurous with great pictures.***

*The book is about a flying pony called Kevin who crashes into Max's home. Kevin likes biscuits and his favourites are custard creams. The book is very funny. There are lots of mermaids and sea monkeys and they have to go to the shops underwater. I really liked this book because it was adventurous. There are pictures on every page that are really good. I think other children who are 6 – 8 will like this book.*
