***This is a really good book. It's about a girl and her friend who lives on a farm when one day she gives away her cows.***

*Gemma lives with her mum and brother, Darren. Her dad is in jail and will be out soon. Gemma takes risks and meets a new friend, (cowgirl) real name Kate. Gemma and Kate go to Gemma's Grans house every day at lunch time.*

*Darren and Gemma always fight but now they don't...Gemma has always got a problem.*

*Kate lives on a farm with her mum and dad. One day she gives away all her cows, so they can have a better life, as they will be killed for food.*

*She is really strong and she is stronger than the bully at school (Sian) who used to be Gemma's friend.*

*Kate's Grandad, who passed away, and Gemma's Gran used to work on a farm together.*

*Gran's dog passed away but now she has a new pet, A COW! Kate gave Gran the cow, who is called Jane, and is the only cow that will let Gran milk by hand.*

*I really loved this book because it gets you thinking, I would give it 100/10. I would recommend it to 8+ readers.*
