

LoveReading4kids Reader reviews of Nixie The Bad, Bad Fairy by Cas Lester

Below are the complete reviews, written by LoveReading4kids members.

Caitlin Hill, age 7

Very funny book that made me giggle a lot. Nixie is the coolest fairy ever, although I would not like to have her wand.

This book made me giggle a lot. Little adventures are much more fun than doing boring jobs, especially when the weather is nice outside. Nixie had a good idea going out to fly high, but unfortunately she crash-landed on one of the other fairies. It all gets worse from there and they are not doing their jobs for the arrival of the fairy queen. Luckily everything gets sorted in the end and Nixie can go to the Blossom Ball.

Rachel Zinkin, age 8

I liked the pictures because they give lots of detail.

'Nixie The Bad, Bad Fairy' is about a fairy who loses her wand and tries to have fun but she makes mistakes. She has an enemy who is called Adorabella, who is so goody goody. I like the pictures because they give lots of detail. I think it might be better if the adventures were more imaginative. I liked how the author described the flowers and plants.

Darcey Mcilroy, age 7

I really like Nixie because she gets into lots of trouble which makes me laugh. I loved this book.

Nixie is a very funny fairy who always gets into trouble with her wonky wand. She says things like Bumblebee's bottoms when her magic goes wrong and she tries to make magic lemon fairy cakes. The Fairy Godmother is always cross with her because she makes such a mess or ruins things by being a nuisance. The Fairy Queen is coming to visit the fairies and they are organising a party. Adorabella is a bad fairy because she is a little bit of a fibber because she always tells on Nixie. She hides Nixie's wand to stop her from going to the parade but Nixie's friends see her pulling it out of her dress. She gets into a fight with Adorabella and turns her silly-frilly fairy dress into candy floss. Nixie ends up going to the party and having the best night ever. This book made me laugh and laugh.

Erica Motoc, age 9

*Nixie the bad, bad fairy is a really good book! I like the bit where the ball starts because Adorabella hides Nixie's wand. Then Arabella gets in trouble. **The book is a hilarious laugh out loud book and I think it is the 3rd best book in the world.***

Iulia Motoc, age 7

*'Nixie The Bad, Bad Fairy' is **an amazing book**. Adorabella is really mean. **My favourite character is Nixie because she is naughty like me.** I really enjoyed reading it.*
