*'Skink No Surrender' is a great book for all those who love novels that leave them on the edge of their seat all the way through.*

*'Skink No Surrender' is about a girl; who refuses to go to boarding school and runs off with cyber guy 'Talbo Chock.' A boy; who is desperate to find his rebel cousin before she dies. And a 72 year old Governor; who's one aim is to find Malley and will do anything to do it, even if it includes teaching a 5.5" boy to drive a car while he still needs a car seat. The descriptions in this book make you feel like you're actually there, not miles away just reading about it. It is both exciting sad and funny at the same time, so much that you can't put the book down.*

**Georgina Bellingham, age 11**

*'Skink No Surrender' is a good book, it is about a girl, Malley, who has been kidnapped by someone claiming to be Talbo Chock but is really Tommy Charmers. Richard knows Malley is in trouble before she does herself. He goes off on an adventure with an ex-governor who claims to be dead. When Malley gives him a massive clue over the phone he knows where she is. Later he gets another call from her telling him where she is. When he gets there he has to use a lot of money to get on to her houseboat. When he is there he claims he is a runaway. Later when he finds himself tied up Malley tells the fake Talbo*

*everything. I really liked this book because it had mystery, excitement, courage and compassion.*

**Jemma Rubens, age 10**

***This awe inspiring book is about a child, Malley Spencer, who is kidnapped. Friends set out to find her, and you meet Skink, who has appeared in books before! A fantastic book for everyone, I would definitely recommend it!***

***Wow! what an amazing story to read, really enjoyed this book so much, it was a surprise too.***

*This is the story of a girl called Malley who's parents are sending her to boarding school and she doesn't want to go. She meets a man she met on-line and goes off with him.*

*This story is told from the point of view of her cousin Richard, who meets a unusual man called Skink and they both decide to go find Malley together.*

*Will they both find her? Will she be ok? Read the book and find out!!*
